News

Thanks to Mary Lou and David Waugh, we have a great spot for our August BBQ! They have reserved one of the larger Sun-n-Fun buildings. It has an attached partial kitchen and is right on one of the runways, so we can watch the planes as we party. The date has been set for **Saturday, August 8**, at 4pm.

Rather than buying BBQ meats from a restaurant this time, **we are asking a few kind club members to do the cooking for us.** The club would pay for the meat to be cooked at your homes (just turn the receipts in to Susan) and brought to the party. We expect up to 55 people and are trying to stick with the BBQ theme. Mary Lou and Dave will bring a couple of chickens; Cheryl Kreitman has offered to cook pulled pork. If you can contribute, please contact Mike or another officer.

June's Dine-Around was at The Pantry Diner in Auburndale with 15 people. The next will be **Tuesday, July 14 at Dena's Place**, 4525 S. Florida Avenue, Lakeland. **RSVP to Rae Gayer by Friday, July 10**; Dena's is a REALLY busy place. **Either call or message Rae**—please consult your membership roster to find her phone number.

It's time to think about membership renewals! Our club year runs from August 1 to July 31. The form is at the end of this newsletter.

Would you like to serve as a club officer?

Nominations are sought; please contact any of the current officers if you are interested.

Karen Turbeville is arranging **camping for Thanksgiving & Christmas** at Green Swamp West, Ashley campground:

- Thanksgiving, Wed 11/25 - Tues 12/1st
- Christmas, Thurs 12/24 - Wed 12/30

Anyone wishing to camp must let Karen know as soon as possible.

Four spots left! Cheryl Kreitman has reserved our **Tillis Hill** sites in November 2026. She has blocked out campsites 1 - 15 and stalls 1 - 30 for 7 nights in November of 2026, with an arrival date of Nov. 6th, departure date Nov 13th. **NOTE:** making your reservation for a site in our group is exceptionally challenging. Cheryl is willing to make the reservation for you.

If you're interested in a **club shirt**, please contact Barbara Charron. They are available in a variety of colors and styles, and are sold at cost.

Remember the club's web page if you need the club's calendar, find a trail map or read the most recent newsletter.

Do you have an idea for a topic or guest speaker at one of our business meetings? If so, please let Mike Charron know.

The **weekday pickup rides** aren't always advertised, so if YOU want to ride during the week please email Janet. She can pass the message along to the club with your desired ride place, day and time.

If you see unfamiliar faces at our rides and events, please introduce yourself and invite them to club activities. People are welcome to join us a few times before they decide to become a member.

And remember—guests must sign a hold harmless that the trail bosses will provide. Please escort the guests to the trail boss of the day!

Follow our Facebook page or web page to all our events, news, and tips are listed. You can even review our club!

Sammie Turbeville is having surgery June 18th.

Louise Short just had a pacemaker placed.

Susan Buchanon will be having cataract surgery at the end of July.

Barbara Lassiter is having a great time at a Montana dude ranch with one of her daughters and 3 grandkids.

Mike had a nice conversation with **Del Jones**. Del is still living in Hudson, although vacationing in Rhode Island with Dee at the moment. Dobber and Luna have a good home fairly close to Del where he's able to visit them occasionally. Del is still having issues after the accident, and is facing another back surgery soon. He hopes to join us for at least a dinner at the Tillis Hill campout.

New technology for your horse's well-being

BEMER has developed a special signal tailored to the equine body that can improve impaired microcirculation. Through optimally configured coils in the horse blanket, the leg wraps, and the neck applicator, this patented signal operates through a magnetic field on the body of the horse. Through the use of BEMER, an enhancement in relaxation can be achieved, which is a prerequisite for optimal training and overall performance!

HORSE BEMER BENEFITS

- >> Increases physical performance and optimizes suppleness.
- >> Promotes relaxation and regeneration after exertion.
- >> Improves the anesthetic experience; regeneration after surgery.
- >> Supports parasympathetic processes in the organism.
- >> Improves microcirculation and vasomotion.*
- >> Speeds up the recovery process after injury.

*Effects of BEMER physical vascular therapy in horses under training. A randomized, controlled double-blind study, 2015, University of Milan.
